3 Rs 60 is a liberal enough grant. It is not clear whether the Talim is an entirely new one or whether the additional grant of Rs 10 has been recommended I would call for a statement of receipts & expenditure.

I have thought a good case for a permanent increase of the monthly grant has been made out.

Under the circumstances represented, a grant of one half of the sum recommended for fitting up the Dye house Chemical Laboratory & for purchasing new fly shuttles may be sanctioned. 15/5/05

Submitted to the Dewan,

15/5 We must make mindy over that the grant thus reduced will not be unfruitful without the attendance of the 6 students. On enquiry the 1st Councillor 05 will be satisfied that the attendance will be forthcoming and that the e
